The IMET Board of Trustees has reduced total fees five times since inception of the Fund and anticipates possible fee reductions with growth in the Fund's asset base.

** *Administrative and Other Expenses*

In accordance with the various agreements, the Fund calculates a daily accrued expense, at contractual rates, applied to the Fund's net assets. These amounts are deposited monthly in a money market fund to pay the legal, audit, performance monitoring and marketing expenses of the Fund. To the extent that the accrued amounts exceed the actual expenses in any period, the Fund will use these amounts to reduce future accrued expenses.

*** *Consultant*

The Fund pays the Consultant an annual fee in arrears equal to 0.02% of the Fund's average daily net assets for each fiscal year, not to exceed \$125,000 in any fiscal year. No annual fee shall be payable for any fiscal year unless the assets of the Fund exceed \$100 million for at least 31 consecutive calendar days during such fiscal year and the total return to Fund participants for such fiscal year equals or exceeds the average 90-day treasury bill rate during such fiscal year. The DuPage Mayors and Managers Conference, Northwest Municipal Conference, South Suburban Mayors and Managers Association, the West Central Municipal Conference and the Will County Governmental League, act collectively as the Fund's Consultant.
